Wear orange tomorrow: Friday, September 30th Picture retake day

In this week's Bird's Word:

- AmeriCorps tutors needed
- Open House October 27th Apply for Educational Benefits

Orange Shirt Day: Remembering the We Wear Orange

Join Roseville's American Indian Education in remembering the children who did not return home after being forced into Native American boarding schools in Minnesota.

Children Forced into Native American

Picture Retake Day Did your student miss school pictures? Or do they need to be retaken? Retake day will be October 27th. If you aren't happy with the first picture, send the packet back to school with your student(s) and

cultural genocide Native American and First Nations peoples endured.

Help our students build their skills - Become a Tutor! Falcon Heights is looking for 3 tutors for the 2022-23 school year.

You can take action in our community by giving your time and talent to help students build their skills and confidence! Tutors work with students during school hours throughout the school year. No matter if you're a recent grad, career changer, stay-at-home parent or retiree, you can make a great tutor. With training and on-site coaching, we'll prepare you to help kids succeed.

Part-time and full-time positions are available with upcoming start dates in October

(apply by October 5) and January (apply by December 14).

Tutors Receive a stipend paid every two weeks.

to join@ampact.org or call 866.859.2825.

Up to an additional \$3,500 in tuition assistance or student loan repayment. Tutors 55 and older may gift the award to their child, grandchild, stepchild or foster child. Free health insurance and child care assistance for those who qualify.

XANDER URE CENTER

Whether you consider your level beginner, intermediate, or junior grandmaster in training join us to meet and interact with other Falcon Heights chess players and play on a weekly basis. Players will learn the basic rules and strategies of chess if they are new to the game, and returning players will continue to develop and refine their skills, with a focus on sequential predictive thinking informing more advanced strategies. Our season culminates with a comprehensive tournament, with further tournament and online play options also available! With your favorite special Guest Instructor Mr. Henry (you know him from previous chess & coding clubs), this is the perfect opportunity for our future grandmasters!
