School directory

There will be a school directory shared with classroom teachers who will then share it out with families. If you do not wish to have your child/ren listed in the directory please fill out the form, below, and return it to your child's teacher or the school office. If you would like them included in the yearbook only, please check that option on the form. If you have questions or need a paper copy of the form, please call the office at 651-646-0021.

Roseville Area Schools Student Directory Information

Organizations and/or any member of the public can request information about students attending Roseville Area Schools "Directory Information," as it is known, is defined by Roseville Area Schools as the student's name, parent/guardian name, grade, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of enrollment, degrees and awards received, the most recent educational institution attended by the student, and pictures for district-approved publications, district-approved webpages, district-approved social media, local media and local cablecast.

The district's policy complies with state and federal laws, which require us to release this information upon request. However, you have the right to deny the release of directory information, except to school officials or as provided under federal law. Please know that if you choose to keep directory information private, names will not be available for any purpose. In such cases, for example, students would not be listed in school programs, yearbooks, published honor roll lists, and classroom directories because these documents are considered public domain. Please note the "Opt Out Exemption for Facebook" on the form below.

To make directory information private, parents, legal guardians, or students of legal age should complete this form and mail it to Central Enrollment (2251 County Road B2 West, Roseville, MN 55113) or the student's school office by October 1, 2021. Please complete a form for each student. The request will remain in effect for the 2021-2022 school year or unless modified or rescinded via the Directory Request form available through Central Enrollment.

If you have any questions, please call Central Enrollment at 651-635-1626.

The PTA helps to make Falcon Heights a better school!

- We raise money** by holding fundraisers like the Kids Stuff Sale and Scholastic Book Fairs. That money goes toward classroom materials, class field trips, art supplies, and books for the library. We work closely with the Falcon Heights staff to make sure our students have the resources they need, when they need them!
- We show up.** Family Fun Night, Pizza Dinners, Staff/Volunteer Appreciation Breakfasts – these events and many more are all planned and staffed by PTA volunteers. Activities that give families and students a chance to know fun and make memories as well as thank our great Falcon staff members!

We understand that time is a parent's most precious commodity, so we don't want to waste yours. Become a member and you will receive PTA emails letting you know what's going on and what volunteer time is needed. Whatever your schedule – even if you only have 30 minutes to spare – you'll find opportunities to help!

You are not required to attend monthly PTA meetings, but everyone is welcome. This year we will typically meet on the second Monday of each month at 6:30 pm. You can find a list of dates on the PTA website to add to your calendar. We will also provide FREE child care if needed.

Bonus: PTA members receive a school directory – perfect for arranging parties or play dates and keeping in touch with friends throughout the summer. A directory will be emailed to members when it becomes available late fall. *(A printed copy is available upon request but will take considerably more time to receive.)*
